

Does your collective agreement...

Workload

- ✓ Have class size limits for online courses?
- ✓ Provide recognition of extra work of online delivery?
- ✓ Adjust for both course development and delivery?
- ✓ Provide for training and IT assistance?
- ✓ Provide adequate teaching and marking support?
- ✓ Allow you to limit student access (online office hours)?
- ✓ Protect members from being assigned online courses?

Intellectual Property

- ✓ Provide contract faculty IP protection and job security?
- ✓ Give the faculty association the right to negotiate a standard contract, receive notification of all contracts, and/or sign off on all individual contracts?
- ✓ Contain language limiting future use of online courses?
- ✓ Address the right of faculty to amend their online courses?

Protecting unit work

- ✓ Ensure all faculty work falls within scope of a collective agreement?
- ✓ Stop non-members from doing faculty work?
- ✓ Protect programs by limiting transfer of course credits from outside the university?
- ✓ Protect departments by ensuring they must approve all courses offered?
